Clean Energy Program – Stage 1 Application Form

1 Elibigility Information

This is an application form for Stage 1 of the Gullen Range Wind Farm Clean Energy Program (CLEP). Stage 1, also called the 'Energy Efficiency Package', is where an Energy Efficiency Expert undertakes an energy audit on your home or business. You must complete Stage 1 of the program before you may apply for Stage 2.

Before you spend time filling out this form, you should first confirm that you meet the following eligibility criteria:

1. You are the owner or tenant of a residential or commercial building located within 5 kilometres of any wind turbine on the Wind Farm.
2. You are not receiving a payment from the Wind Farm for a lease or easement relating to the wind farm.
3. You are not the tenant of somebody who is receiving a payment from the Wind Farm for a lease or easement relating to the wind farm.
4. That the residential or commercial building that is the subject of this application was granted DA approval on or before December 23rd 2014.
5. That the building subject to the application is constructed (or in the final stages of construction) and in regular use.

If you are unsure about any of these points then please contact us and we will assist you. You can call us on 1800509711 or email us at info@gullenrangewindfarm.com.

2 What happens after you have filled out this form?

Please send us the completed form, either by:

- signing, scanning and then emailing it to info@gullenrangewindfarm.com
- signing and posting it to, NGRWF, Suite 3, Level 21, 1 York Street, Sydney, NSW 2000

You will be contacted by our Energy Efficiency Expert with 14 days of us receiving your form. The Energy Efficiency Expert will arrange to visit your house to complete an energy efficiency audit. Following the visit, you will receive an audit report and a $150 Bunnings voucher to spend on small improvements.

You will then be eligible to apply for Stage 2 of the program.

For more information on how the program works please read the Clean Energy Program brochure and the Funding Agreement.

3 Applicant details

Name: _____

Email address: _____ Phone number: _____

Address 1 (Applicant's Postal): _____

_____ Postcode: _____

Address 2 (Where Clean Energy Program is to be implemented – if different to Address 1): _____

_____

_____ Postcode: _____

Lot Number: _____ DP Number: _____ Number of Habitable Buildings: _____

Do you currently operate or intend to operate a business from Address 2? Y ☐ N ☐

Are you currently renting this property? That is, are you a tenant? Y ☐ N ☐

_____

_____

Is the building subject to the application constructed (or in the final stages of construction) and in regular use: Y ☐ N ☐

If the building is still being constructed, please describe the current state of construction and when you expect to move in:

_____

For communication that doesn't require your signature, our preference is to use email. For documents that require your signature we will always post you a paper copy. However, if you require all communication by post instead of email, then please tick this box: ☐

4 Property Type

Please provide details of the residence that the Energy Efficiency Package will be performed on:

Number of bedrooms: _____ Number of storeys: _____

Number of bathrooms: _____ Type of roof construction: _____

Type of construction (brick, weatherboard): _____

5 Supporting Documentation Checklist & Information

Please confirm the following items are accurate and/or have been provided as part of this application.

I the applicant confirm:

☐ That I meet the Eligibility Criteria described in Section 1 of this form;

☐ That the residence described in 'Address 2' (part 1 – Applicant Details) is not already the recipient of Energy Efficiency Package assistance under this GRWF Community Enhancement Program;

That copies of the following documentation are included in this application:

☐ Electricity bills for the last 12 months;

☐ Gas bills for the past 12 months;

☐ Water bills for the past 12 months

6 Authorisation

Note that while all details of your submitted documentation will be kept confidential, your information will be shared with the Energy Efficiency Expert and the Energy Committee.

Results or successful elements of the Clean Energy Program and the Community Enhancement Program overall may be made public – such as how may homes have participated in the program.

In any publication the names of participants will be withheld unless we obtain your prior written approval.

Please indicate your approval of the above, and confirmation of information provided by signing and dating the panel below

Signed: _____ Date: _____

Name of person completing the application: _____
